# **2 Timothy:** Help for the Church in this Last Hour

A Study Guide by Courtney Silberman

Little children, it is the last hour; and as you have heard that the Antichrist is coming, even now many antichrists have come, by which we know that it is the last hour. They went out from us, but they were not of us; for if they had been of us, they would have continued with us; but they went out that they might be made manifest, that none of them were of us.

But you have an anointing from the Holy One, and you know all things. -1 John 2:18-20

#### How to Use this Study

- 1. **This study is broken up chapter by chapter and verse by verse.** We will cover every verse of 2 Timothy in this study.
- 2. Both weeks of study will cover two chapters. We will cover 2 Timothy 1 & 2 the first week and 2 Timothy 3 & 4 the second week.
- 3. The first question of every lesson will be for you to read through the entire **chapter** and write down one verse or phrase that stood out to you. This is a great way for you to get the overall picture of the chapter.
- 4. **Answer each subsequent question according to the Scriptures.** We really want our focus to be in understanding <u>what do the Scriptures say</u>?
- 5. **Every chapter will end with a journal section.** This is where you can write down your thoughts, prayers, what you learned, or anything else that stood out to you from that chapter. It is your place to interact with the Lord freely, and we highly encourage taking the time to write down what the Scriptures are teaching you personally.

We pray this is a transforming study that offers practical help and encouragement!
